## Description

This test sends a query that will find too many matches.

## Comments

The sending system will need to accept a response indicating that too many matches were found.

## PreCondition

More than one person in the IIS matching the parameters in the query exists.

## PostCondition

Response indicates that there are more than one match (too many) and the clinician is informed.

## Test Objectives

No Test Objectives

## Evaluation Criteria

No evaluation criteria

## Notes to Testers

No Note
